MEDICAID MEMO

TO: All Ophthalmologists, Optometrists, Opticians, and Managed Care Organizations Providing Services to Virginia Medicaid Members

FROM: Cynthia B. Jones, Director
Department of Medical Assistance Services (DMAS)

MEMO: Special

DATE: 4/21/2014

SUBJECT: Ending of Service Authorization Requirements for Vision Codes — Effective May 1, 2014

The purpose of this memorandum is to notify providers of changes to the Department of Medical Assistance's (DMAS) service authorization requirements for vision codes in the Current Procedure Terminology (CPT) range V0000 - V2799. Effective with dates of service on and after May 1, 2014, these procedure codes will no longer require service authorizations.

MANAGED CARE ORGANIZATIONS

Many Medicaid recipients are enrolled with one of the Department's contracted Managed Care Organizations (MCO). In order to be reimbursed for services provided to an MCO enrolled individual, providers must follow their respective contract with the MCO. The MCO may utilize different prior authorization, billing, and reimbursement guidelines than those described for Medicaid fee-for-service individuals. For more information, please contact the MCO directly. Additional information about the Medicaid MCO program can be found at http://www.dmas.virginia.gov/Content_pgs/mc-home.aspx.

COMMONWEALTH COORDINATED CARE

Commonwealth Coordinated Care (CCC) is a new initiative to coordinate care for individuals who are currently served by both Medicare and Medicaid and meet certain eligibility requirements. Please visit the website at http://www.dmas.virginia.gov/Content_pgs/altc-home.aspx to learn more.
